Grove City Country Club SUMMER CONCERT SERIES

BOURBON
+ Lace

Bourbon & Lace, hailing from the Grove City-Slippery Rock area, is a new band in the local music scene. The band performs locally and in the Meadville area, and they perform an eclectic mix of country, rock, and folk music with their own twist!

You may recognize guitarist and vocalist TC Conner from the band Major Morgan! He also is known to play in "Them Conner Boys" with his son AJ. Phil Raffel, the band's bassist, is a Slippery Rock University graduate with a degree in music. Bobby Timko, the newest addition to the band, is also the drummer for the Grove City Alliance Church's worship band. Cassidi Udy — a singer-songwriter who also plays guitar and harmonica — is also a member of the band East & West, who just finished recording their first album. Vocalist Lori Udy and Cassidi are also a mother-daughter act.
